

Geologic points in Zumaia, Basque, Spain

古生物の部屋 <http://www.paleo-fossil.com>

observation point for K/T boundary

nice view of K/T boundary

nice view of Paleocene section
(eastward direction)

San Telmo Ermita
聖テルモ教会

Itzurun beach

Hotel Zelai

Town center

stairs to sea

I did not try this route. But, may be
you can go when the tide is low.
Please be careful.

base of Selandian
(GSSP)

base of Thanetian
(GSSP)
